

No Warranty, Disclaimer of Liability and Indemnity

1. Contents of the Site

Whilst every effort has been made to ensure the high quality and accuracy of the Site, the Author makes no warranty, express or implied concerning the topicality, correctness, completeness or quality of the information, which is provided „as is“. The Author expressly disclaims all warranties, including but not limited to warranties of fitness for a particular purpose and warranties of merchantability.

All offers are not binding and without obligation. The Author expressly reserves the right, in his discretion, to suspend, change, modify, add or remove portions of the Site and to restrict or terminate the use and accessibility of the Site without prior notice.

2. Links and Referrals

The Author declines all liability for all direct and indirect referrals, which the Site may contain, to third party websites („Hyperlinks“) lying outside the scope or responsibility of the Author, unless he has full knowledge of any illegal content therein and could be reasonably expected and would be technically able to prevent its use.

The Author expressly declares that at the moment the link was set the linked sites contained no recognizable illegal contents. The Author has no influence on the current or future design, contents or copyright of such sites and therefore expressly dissociates himself from any contents of linked sites which were modified after the link was set. This disclaimer holds true for all links and referrals set within the Site proper, as well as for links and referrals set by third parties in guest books, community forums and mailing lists provided on the Site by the Author. All illegal, faulty or incomplete information and specifically damages arising from the use or non-use of such information are sole responsibility of the linked sites' authors and not of the author of the site from which the link was set.

3. Intellectual Property Protection

In all publications the Author has endeavoured to respect any copyright existing on artwork and texts used in the Site, or else to use artwork and text of his own making or which is not protected by copyright.

All trade marks and commercial signets appearing on the Site which may be registered by third parties are protected by trademark law and belong to their respective owners. The mere reproduction of a trade mark on the Site does not mean the trade mark is not protected!

The copyright for all published material prepared by the Author himself lies solely with the Author. You may not use or reproduce or allow anyone to use or reproduce such artwork or texts in other electronic or printed publications without written permission from the Author.

4. Privacy Policy

Wherever the Site offers the possibility to enter personal or commercial data about yourself (e-mail address, name, postal address), you provide such information on a voluntary basis. The use and payment of all offered services is – as far as technically possible and reasonably expectable – possible without entering such information or else by entering anonymous data or a fictitious name. The use by third parties of contact data, such as postal addresses, e-mail addresses, telephone and fax numbers, as they appear in the imprint or in comparable parts of the Site, with the purpose of sending unrequested information is expressly forbidden. Legal action will be taken against senders of so called spam-mails.

5. Legal Force of this Disclaimer

This Disclaimer is part of the internet publication which you were referred from. If any provision of this Disclaimer is invalid or unenforceable, such will not render all terms unenforceable or invalid but rather the terms will be read and construed as if the invalid or unenforceable provision(s) were not contained therein.
